

# **The Jersey Child Abuse Crisis – Jersey Care Leavers speak**

**Tuesday 24th June**

**Committee Room 7 - House of Commons**

**6.30 to 8pm**

**Open Meeting – ALL WELCOME**

The investigation into abuse in children's homes in Jersey has shocked many people in the UK and in Jersey. Care leavers on Jersey have formed a group called the 'Jersey Careleavers' Association' (JCLA). Representatives of the JCLA will be coming to the UK Parliament to give an account of the crisis in Jersey and to call on the UK government to ensure that an independent inquiry is held into the abuse scandal.

This is an open meeting, so anyone can attend, and is an important step in getting the message of care leavers from Jersey across to parliament and the public.

## **Speakers**

- Austin Mitchell MP
- Will McMahon - Chair of the UK Careleavers' Association
- Members of the Jersey Care Leavers' Association
